## Case Studies

### User Story #1

As <mobile customer>, I want  
<to create a profile> so that  
<future orders are faster to place>

### Project Scenario: Developing a Mobile App for a Small Business

#### Scenario Description:

You are a project manager working for a software development company, and you have been assigned a project to develop a mobile app for a small local business. The small business is a local bakery that wants to create an app for customers to place orders, view the menu, and receive promotions. The project has a six-month timeline.

#### Project Details:

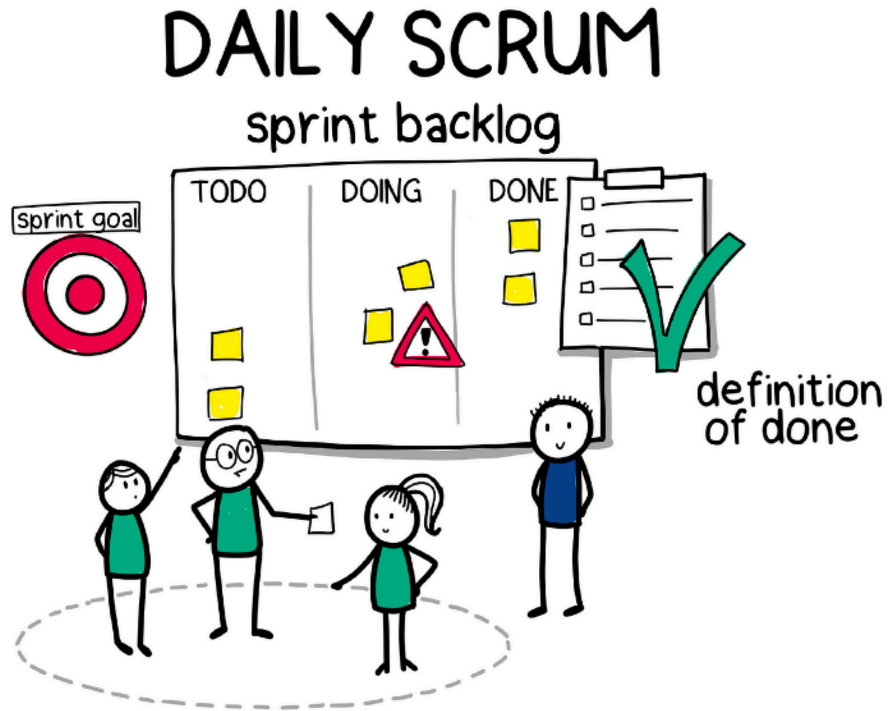

- Project Name: "Baker App Development"
- Project Duration: 6 months
- Project Budget: 50.000,00 EUR
- Stakeholders: Bakery owner, app users, development team

#### Key Project Requirements:

- Create a user-friendly mobile app for both Android and iOS.
- Implement a user registration and login system.
- Provide a menu with product listings, descriptions, and prices.
- Enable online ordering with payment processing.
- Implement a loyalty rewards program.
- Push notifications for promotions and special offers.
- Ensure the app is responsive and visually appealing.

# Example 2:

## Script for Daily Scrum

The  
Liberators

### Team member 4 David (iOS App Developer):

*What did you do yesterday?*

Implemented iOS app login screen.

Integrated iOS app with online ordering logic.

*What will you do today?*

Implement loyalty rewards program on iOS.

Start designing product selection UI for iOS

*Are there any impediments in your way?*

No impediments.

# Example 3:

## In-Classroom Exam Rules

**You**

list 10 Important Rules for the Exam, which will be pen and paper exam while students will be seated in the classroom

**ChatGPT**

Certainly! Here are 10 important rules for a pen-and-paper exam while students are seated in the classroom:

1. **Arrival and Seating:**

- Arrive at the exam room at least 15 minutes before the scheduled start time.
- Follow the seating arrangement instructions provided by the invigilators.

2. **Identification:**

- Bring a valid photo ID and place it on your desk for verification.
- Ensure that your student ID card is readily accessible.

3. **Writing Tools:**

- Bring sufficient pens, pencils, erasers, and any other allowed writing materials.
- Use only the writing tools specified by the instructor.

4. **Silence and Focus:**
